

Georgia Museum of Agriculture

Georgia Standards of Excellence Covered by GMA

The Georgia Museum of Agriculture’s education programs addresses the following Georgia Standards of Excellence. The standards are organized by program type, grade, and site location. The number of sites (and related standards) included in your group’s visit depends upon the program type selected, and, for on-site programs, how much time your school has to visit.

	K	1 st	2 nd	3 rd	4 th	5 th	8 th
